Ambit Engineering Salary & Contract Index

Introduction

The Ambit Engineering Salary & Contract Index is based upon job offers in the Oil & Gas, Mining and Construction sectors and employment activity in Queensland during the period of July 2008 through to October 2008.

Contract Rates

Please note that all \$AUD hourly rates listed are the 'Rate to the Contractor' only, including superannuation but not including management fees, bonuses, commissions or any other benefits or fees.

Contract rates are generally determined by the skills and experience of the individual contractor combined with the market demand for those particular skills at the time the contract was offered.

The figures provided are based on aggregate averages, some rates may fall slightly below the minimum or slightly over the maximum, however these were generally considered as exceptions.

Permanent Salaries

All permanent salaries listed are in \$AUD and inclusive of superannuation.
